

Khemjira Jarnkom

M.Sc. (Science of Pharmaceutical Products)

ORCID ID:0009-0006-4639-8079

E-mail:Khemjira_j@rmutt.ac.th

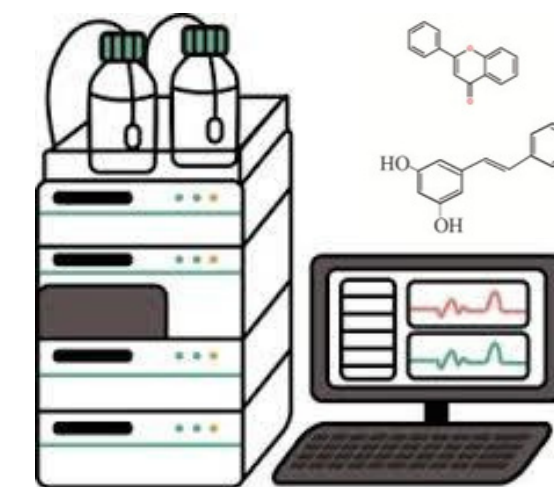

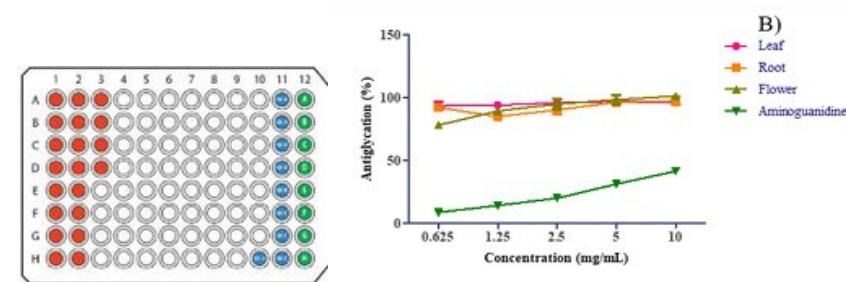

Research Interest

- Applied Thai Traditional Medicine
- Bioactivities in herbal extracts, Natural Products
- Drug delivery system (DDS) Development of cosmetics and food supplements from herbal extracts

Extraction of plants and

- Maceration, Soxhlet Extraction, Water-Distillation, etc.
- Spray Drying, Lyophilization
- Encapsulation

Biological properties and Chemical Compounds

- Anti-oxidation
- Anti-inflammation
- HPLC, GC-MS

Cosmetics and Food Supplements

- Characteristic Study
- Stability study
- Nutrition analysis
- Efficacy & Safety study

- Academic Publication (Scopus, TCI)
- Industry Collaboration

- National/ International awards
- Patents and Petty Patents
